DENTAL INSURANCE

How to Select a Dental Plan

You have a choice of two different dental plans: incentive dental and managed care dental. An explanation of each plan design and the plan name follows:

- **INCENTIVE DENTAL** type plans encourage yearly visits to the dentist. Subscribers must visit the dentist at least once each year to receive the maximum benefit available. Subscribers must also see participating dentists to receive maximum benefits. Coverage is available for non-participating dentists, but dentists may charge above the allowable amount.

INCENTIVE Plan Choice: WASHINGTON DENTAL SERVICE (WDS)

Preventive (Exams, X-rays, Cleaning, etc.)	70% - 100% Incentive*
Restorative (Fillings, Extractions, Crowns, etc.)	70% - 100% Incentive*
Major Care (Dentures, Partials, Bridges, etc.)	50%
Implants (Pre-authorization required)	50% (applied towards annual maximum)
Annual Maximum Benefit	\$1,750 per person per benefit year (September 1 – August 31)
Dependent Eligibility	Unmarried dependent children from birth to 25th birthday

***How the Incentive Program Works:**

This plan encourages regular dental care. During the first benefit year on the plan, 70% of covered benefits are paid. Providing you use the program at least once each benefit year, this increases by 10% annually (on September 1) to a maximum of 100%. Failure to use the program once each benefit year causes your level to drop by 10% below the last level of payment, but never below the original 70%. Each eligible employee and dependent creates his or her own percentage level.

Percentage levels do not affect the established constant 50% payment level for the cost of allowable prosthetics (dentures and bridges).

Member Dentists:

You may select a licensed dentist. Tell your dentist you are covered by Washington Dental Service program **Group #0186**. **If your dentist is a member dentist**, your claims will be submitted directly to WDS, and no more than the filed fee can be charged. **If your dentist is not a member dentist**, it is your responsibility to have a claim form completed. You are responsible for paying the dentist's bill and for submitting the claim to WDS. Since WDS does not have filed fees for nonmember dentists, payment for services performed by a nonmember dentist is based on usual, customary and reasonable charges.

- **MANAGED CARE DENTAL** plans offer care at their own locations. No dental services received outside managed care clinics will be covered.

MANAGED Plan Choice: WILLAMETTE DENTAL GROUP (WDG)

Coverage is as follows only at participating WDG locations:

Preventive (Exams, X-rays, Cleanings, etc.)	Covered with a \$15 office visit charge
Restorative (Fillings, Extractions, etc.)	Covered with a \$15 office visit charge
Major Care (Crowns, Dentures, Bridges, etc.)	Covered after a \$50 copay plus a \$15 office visit charge.
Emergency Treatment	Covered after a \$20 copayment for after hours treatment at a WDG location.
	Reimbursement of \$150 for out-of-area emergency care.
Implants	Discount program available
Dependent Eligibility	Unmarried dependent children from birth to 25th birthday

VISION INSURANCE**Northwest Benefit Network**

There is no copayment required on materials or eye exams for either Panel (Participating) or Non-Panel Providers. Most benefits obtained from Panel Providers are covered at 100%, with a few of the exceptions listed below. For Non-Panel Providers, members pay all charges and are reimbursed up to the allowances listed below under "Non-Panel Providers". Unmarried children are eligible from birth to age 25, provided they depend upon the member for support.

Payment will be made on behalf of the subscriber as follows:

	<u>Frequency</u>	<u>NBN Panel Providers</u>	<u>Non-Panel Providers</u>
Eye Exam	Every year	100%	\$35
Single Vision Lenses	Every year	100%*	\$30
Bifocal Lenses	Every year	100%*	\$40
Trifocal Lenses	Every year	100%*	\$45
Lenticular Lenses	Every year	100%*	\$90
Continuous Blend	Every year	100%**	\$40
Lens Coating, Tints, Oversize	Every year	Some covered	Not covered
Frames	Every 2 years	100%***	\$30
Elective Contacts	Every year	\$175****	\$90
Necessary Contacts	Every year	100%	\$200

*Lenses necessary to correct the visual acuity of the patient are fully covered. Specialized lenses, special features and "extras" may not be covered.

**Standard grades of 'continuous blend' lenses are covered.

***Plan pays 100% of a selection of frames; subscriber pays additional amount for more expensive frames.

****\$175 contacts allowance is for exam, fitting and lenses combined in lieu of all other services.

If a non-covered lens extra or a frame that exceeds the plan allowable is ordered, the subscriber is responsible for any additional provider charges including a small dispensing fee.

Note: This is a summary and cannot cover all plan details.

If you have any questions regarding your vision benefits, please contact NBN at 800-732-1123.
